Claims Conversations

The Department of Veterans Affairs (VA) disability compensation offers a monthly tax-free payment to veterans who became sick or injured while serving in the military and to veterans whose service made an existing condition worse. Many times this benefit goes unclaimed. This session will navigate the basics of the VA claim process and provide a better understanding of the value of this benefit for the veteran and their family.

Spouses Welcome!

Sessions are open to all members of the uniformed services and their spouses.
